## **DETAILED ACTION**

### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

Claims 1-6, 9-15, 18-21, 23-26, 28-29, 31-32, 34-38 and 40 are allowable over the prior art of record. The closest prior art of record Kikugawa, teaches reviewing email to identify notable words and converts the notable words into hyperlinks (column 8, lines 16-24), however it fails to teach searching accumulated program information based on the identified genre or topic corresponding to a keyword, these limitations being indicated in claims 1, 11, 20 and 21 as "search television program information based on the interest words corresponding to the selected topic", in claims 11 and 20 as "search television program information based on the interest words corresponding to the selected topics", and in claims 23, 31, 32 as "search the accumulated television program information based on the identified genre corresponding to the keyword" and claim 34 as "means for searching the accumulated television program information based on the identified genre corresponding to the keyword".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jay A. Morrison whose telephone number is (571) 272-7112. The examiner can normally be reached on M-F 8-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tim Vo can be reached on (571) 272-3642. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
